Notes/Narratives

NARRATIVE

Synopsis: On 5/6/10 at approximately 1330 hours, Auto Zone employee Jason Ready reported customer Keith Marko was refusing to leave the store and acting disorderly.

Narrative: On 5/6/10 at approximately 1330 hours, I was dispatched to the Auto Zone located at Warner and Cooper reference a trespassing. Prior to arrival I was advised by GPD communications an elderly white male later identified as Keith Marko was yelling at store employees and refusing to leave.

Upon arrival at the store, I was met by store employee Jason Ready. Jason told me the disorderly subject just left and provided his license plate (Arizona [REDACTED]). Jason described the subject as an elderly adult male wearing a white t-shirt, blue jeans, and glasses. Using a vehicle registrations check this subject was later identified as Keith Marko.

While talking to Jason I asked him what happened. Jason said Keith came into the store with a part number and told another employee to get the item for him. Jason said Keith was rude and demanding with his request. As the employee helped Keith, he told him he was unable to find the part. The employee then asked Keith for his vehicle information and would look up the parts. Jason said Keith flew off the handle and began yelling at the employee. When he interjected on the other employee's behalf, Jason said Keith began yelling profanities at him. Jason said while Keith was yelling at him he said he lost his temper and began yelling back. Jason said he too began yelling profanities and told Keith he was going to call the police. Once Keith refused to leave he called 911. Jason said Keith left prior to police arrival.

While at the scene, I spoke to the other employee Gary Ratcliff. Gary is also the store general manager. Gary told me both Jason and Keith are at fault. Gary said he was helping Keith and was unable to find a part he requested. Keith had been told a few times that he was not able to find the part using the number he provided. As Keith was asking him why, Gary said Jason interjected and made a remark. When this happened, Gary said Keith told him to "fuck off". When this happened, Gary said Jason began yelling at him with profanities. Gary said he does not want to press charges against anyone but indicated Jason has been fired due to his behavior.

No attempts to contact Keith have been made due to no prosecution desired. This report was written for informational purposes only.

Conclusion: On 5/6/10 at approximately 1330 hours, Auto Zone employee Jason Ready reported customer Keith Marko was refusing to leave the store and acting disorderly.

This case is exceptionally cleared due to the victim not wanting to press charges.
